

HURRICANE HARVEY

Hunt Companies has been proud to call Texas home for 70 years. Hunt Military Communities is just as proud to have six military housing projects located throughout this great state. We stand alongside the residents of Texas in feeling their pain as they endure one of the worst storms in decades. As a result, Hunt Companies is matching all employee donations being made to the American Red Cross for the hurricane relief effort. We also want to encourage you, our residents to help with this relief effort. With so much property damage already, there are thousands of people displaced in South Texas, Houston and Southeast Texas. The Red Cross has been working on the ground, delivering meals and getting residents to shelters, but your donation is still greatly needed. Please log onto: www.redcross.org/donate/hurricane-harvey and make a contribution today. Or, you can Text HARVEY to 90999 to make a \$10 donation. No amount is too small. Thank you for your support in helping all the victims of this tragedy.

Please join us Wednesday, September 26th starting at 4:00 pm for our Fire Safety Prevention night! Our local Fire department will be here and much more to help inform both children and adults about proper fire prevention! This is going to be a great time for the kids to see what our firefighters do on a daily basis! We look forward to seeing everyone!

Fire Safety Prevention Night

Date: 9/26/17
Time: 4-6 p.m.
Location: Housing Office

Please join us for fire safety prevention night! Our local fire department will be here with their gear and much more to inform both adults and children about fire safety!

Community Director

Please help me welcome our new Community Director, Patrick Haas!

He has been with Redstone Family Housing as the Community Manager for the past 2 years. He has worked tirelessly for our community, and has Redstone and our residents best interests at heart! Mr. Haas is here to help anyone and with all of their needs. We are excited to watch Redstone succeed under his leadership!

Congratulations to Patrick Haas!

Fall Prep!

Summer is finally almost over and it is about that time to get ready for fall! Below are some great home tips so you can begin your fall preparation!

- 1) Check seals around doors and windows. Feel free to call the office to place a work order for any seals that need to be replaced!
- 2) Clean the gutters! Remove leaves, nests, and debris from gutters.
- 3) Turn off faucets and store hoses in a dry place.
- 4) DECLUTTER. What better time to get organized! You will be spending more time indoors one that cold weather hits. Might as well be comfortable.
- 5) Put away seasonal furniture. Remove and clean any cushions. Store furniture in a dry place.
- 6) As the weather does cool down, be sure to run the heat. Make sure everything is working properly!

September
