

*July 2018*

## Summer Pet Reminders

Pet rules apply to everyone, every day! We have an obligation to the residents of the community, to see that the rules are followed.

- 1) Loose pets will always have the potential of causing harm to others, even if "your dog doesn't bite"
- 2) Pet waste is offensive, it's unsanitary for our maintenance staff to step through, it's unsanitary for children playing in the common areas and it's even offensive for residents that like to keep their windows open.
- 3) This warmer weather means we are seeing more and more pet violations.

We cannot stress the importance of these rules. Summertime brings out more people, and we need to stay vigilant regarding pets, for everyone's safety and health.

**\*\*We want everyone to know, our maintenance staff will not catch or round up pets that run loose, but the animal shelter will be contacted for pick-up. \*\***  
Pet waste that is left in yards or in common areas will be a direct violation of your lease agreement and if we find it necessary to perform the clean-up, charges will apply.

## Summer Movie Nights on the Green!

*Just bring a blanket and we will provide the popcorn!*

**June 16th**  
**July 14th**  
**August 11th**

*When: 7:30 pm till the movie is over!*

We are continuing our Summer Yard Sale Days on the **Last Saturday of each month**, now through October! You can set up your items for Sale starting at 8am and pack up whenever you are ready! Please feel free to create and set out signs the Friday before and take them up by Monday morning to advertise.  
**July's will be held on the 28th!**

## Cleaning Tips and Tricks- Part 6!

- 1) All natural mold cleaner- in a spray bottle fill it 2/3 full with white vinegar and add 2 tsp baking soda. When it stops foaming, spray the affected area and let set for 1 hour before rinsing.
- 2) Keep bees and wasps away while outside by placing a cut 1/2 lemon with 10 whole cloves pushed into the flesh of the lemon. Then set outside near you and enjoy the bug free outdoors.
- 3) Add fresh sage to your grill coals to keep bugs away while you are cooking. It will also add a delicious flavor to your food!
- 4) Use mason jars with citronella oil and torch fuel to make bug repelling candles.
- 5) Bundle fresh lavender, sage, and mint together and keep it on your person when outside to deter mosquitoes.
