COMMUNITY NEWS

A huge thank you to all residents who supported our May events, including the Tenant Satisfaction Survey, Pots & Popsicles, and Book Club. Your enthusiasm and participation made these activities a success and continued to strengthen our community spirit.

MAINTENANCE TIPS

As we move into warmer weather, June is a great time for residents to give their homes a quick seasonal check. These simple steps help keep homes comfortable, safe, and ready for summer.

Prepare for Summer Heat

- Check that window screens are secure and free of tears.
- Make sure blinds and curtains open/close properly to help manage indoor temperatures.

Support Your Cooling System

- Replace or clean HVAC filters to improve proper airflow and efficiency.
- Ensure vents are open and not blocked by furniture.

Gutter & Drainage Awareness

- Take a moment to visually check gutters and downspouts for debris buildup.
- Report any sagging or drainage concerns promptly.
