COMMUNITY NEWS

Tenant Satisfaction Survey – Redstone ranked #1 Army wide with a 52.3% response rate (exceeding the 35% participation goal by +17.3%). This achievement is a direct reflection of our residents' engagement and commitment to this community. Thank you to every family who took the time to complete the survey – your feedback drives the improvements that make Redstone a place we're all proud to call home.

Sewer Lateral and Pressure Relief Valve Replacement Project – Infrastructure replacement is underway across Pathfinder, Voyager and Freedom Landing. Work covers sewer laterals, cleanouts, and PRV valves, with landscaping to follow once underground work is complete.

Gas/Electric Submetering Installation – YES Energy Management is upgrading utility meters beginning in June. Upgrades include improved technology, reduced maintenance, and enhanced energy efficiency data.
