COMMUNITY NEWS

Window & Door Upgrades Coming in September

Get ready for an upgrade! Starting in September, we'll begin replacing windows and sliding doors to select homes in Columbia Center and Challenger Heights. This project builds on our successful pilot in Columbia Center and will help improve energy efficiency and comfort in your home. More details on scheduling and what to expect will be shared as we get closer to kickoff – stay tuned.

MAINTENANCE TIPS

- Check and replace HVAC air filters to keep your system running efficiently during the hottest part of the summer. Air filters are available free of charge through our self-help program. Simply bring your filter(s) to self-help and we will provide a replacement(s).
- Inspect doors and windows for gaps or damaged weatherstripping to help keep cool air inside and pests outside.
- Test smoke detectors and replace batteries if needed.
- Inspect for signs of moisture around doors, windows, and fixtures.
- Keep garages and storage areas organized and free of clutter that can attract rodents and insects.

EMPLOYEE SPOTLIGHT

Troy Daniel, Maintenance Director

Before joining Hunt, Troy spent 6 years as a firefighter and proudly served in the U.S. Marine Corps. He started his journey with Hunt in August 2022. What he loves about his job: Troy thrives on the variety of challenges each day brings. He finds fulfillment in overcoming them while mentoring and motivating others through guidance and training.
