COMMUNITY NEWS

Season's Greetings!
Happy Holidays from all of us at Redstone Family Housing! As the season begins, we wish you and your family a safe, happy, and joyful holiday filled with gratitude, friendship, and plenty of holiday cheer. Thank you for being such a wonderful part of our community!

Holiday Decorations from Community Guidelines:

- Holiday decorations and outdoor lighting are permitted when placed below the edge of the roof gutter.
- The use of staples, nails, screws, or other mechanical fasteners to attach decorations or lighting to homes and associated structures is prohibited. Plastic clip-on hooks can be purchased commercially and used to attach decorative lighting, garlands, etc.
- Attachment of anything to vinyl siding is prohibited. Tenant is prohibited from using over-door wreath hangers, as those may damage the door or frame and may lead to an improper door seal.
- All electrical decorations must be unplugged when the tenant is away from the premises.
- Holiday lighting and decorations may not be erected before Thanksgiving and must be removed no later than January 10th.
- Outside decorative lights are to be turned off no later than midnight. Outside lights are not authorized during daylight hours. Holiday lighting and decorations are subject to owner's discretion.
- Decorative lighting for other occasions, such as Halloween, is authorized but may not be put up earlier than 1 month before the occasion and must be removed no later than 1 week after the occasion. All decorative lighting must be UL- or FM-approved for indoor or outdoor use.
- All live holiday trees must be kept watered to reduce the fire hazard. If the pine needles begin to fall off or if branches break when bent, the tree must be removed from the premises.
- Use extreme care when decorating live trees, and use UL-approved lights that are not frayed or missing bulbs, as these may cause a fire. There will be a designated time for tree removal, communicated annually in our newsletter and on our website.
