

November 2017

Gift Wrapping Station

We are bringing back our Gift Wrapping Station at the end of this month! Our Gift Wrapping Station is a self-help station where we provide the wrapping supplies and you provide the gift! You can come in and create those beautifully wrapped gifts to share with your loved ones this holiday season! The station will be open on November 27 and continue till December 22, Monday through Friday from 9:00am to 4:00pm. We are excited to see everyone full of holiday cheer!

Tackle the Season!

With our Gift Wrapping Station

Available from November 27th until December 22nd

The Gift Wrapping will be available Monday through Friday from 9:00 am to 4:30 pm.

You provide the holiday gifts and goodies and we provide the wrapping paper!

Please consider sending in some of your children's artwork for us to share on our Facebook page as well to highlight each child's talents and accomplishments! We want to see the stories they create through art and share them with our community!

Everyone bring your appetite and a Thanksgiving Side Dish to our Thanksgiving Side Exchange event on Tuesday November 14, 2017 from 5:00pm to 6:30pm. This is a chance to share your family's favorite recipes and maybe get a few new ones from your neighbors! Please bring several copies of your recipe on a card or printed out to exchange with others if you like a dish someone else has made. The office staff will also be participating and bringing sides to share with everyone. Remember to R.S.V.P. to the office by phone or email with what you are bringing!

FLU SEASON

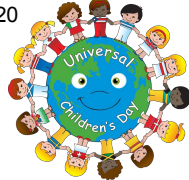

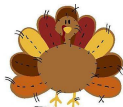

Flu season is here! We want you to be aware of the preventative measures you can start taking today! The flu can keep you out of work, school, or even cause you to be hospitalized. Whenever possible, avoid contact with those who are sick, and limit your contact with people if you are sick. The CDC (Center for Disease Control and Prevention) recommends you stay home for at least 24 hours **AFTER** your fever is gone unless it is to seek medical attention. Cover your mouth with tissue when you cough or sneeze. Always wash your hands with soap and water, or use alcohol-based hand cleaner. Be sure to clean and disinfect all surfaces and objects that could be contaminated with germs. Avoid touching your eyes, nose, and mouth as germs spread that way. **GET VACCINATED!** That is important for children and adults.

Thankful Thursdays!

We are starting a *Thankful Thursday's* trend each week in the month of November to help remind us all of what we have in our lives to be thankful for. We ask that you share something you are thankful for with us and our community! Please feel free to send a photo or story to marissa.moyer@huntcompanies.com. We can post your "Thankful Thursday" on our Facebook Page and we will share it with our community!
