Unique Valentines Day Gift Ideas for Your S.O.

If you are looking for some unique gift ideas , check out our suggestions!

- 1) There are kits galore where you can make something together to enjoy. Look for things like truffle making kits, candles or sculpture kits, or even just making a special dinner together.
- 2) Something personalized or sentimental from your shared past is always a great place to start as well. Personalized items like jewelry, art for your home, or even a board game are unique and mean something a little extra special.
- 3) Think of experiences that you both would enjoy or something your partner would love to do. Make the time to share that experience with them, like going to a particular place, like Cathedral Caverns, or doing something adventurous, like sky diving, could be really thoughtful.
- 4) Instead of the regular flower bouquet, get them a unique food bouquet like a rose or daisy jerky bouquet.

Spring Cleaning Tips and Tricks

- 1) Create your own cleaning pods for all kinds of surfaces using an ice cube tray to mold and shape the cleaners. Visit the following link on facebook for more informaiton. (<https://www.facebook.com/officialgoodful/videos/2022705071317548/>)
- 2) Use cut lemons down the garbage disposal to freshen your kitchen. Lemons are anit-microbial and anti-bactierial so they will also cut down on any germs in your disposal. Lemons can also be used to clean many other surfaces and items in your home.
- 3) You can use Whinks rust remover and water with a sponge to remove water stains from a shower or tub. Or use a paste of baking soda, Dawn dish soap to scrub and then rinse with water and some vinegar to bring them back to life.

Will it be Winter or Spring?

Tomorrow, Friday February 2 is Groundhog Day! This will be Punxsutawney Phil's 132nd prediction, which is a pretty big achievement for a groundhog! Ground hog day is the world's most famous folk lore celebration and festival. Punxsutawney Phil is the only true weather forecasting groundhog. He comes out of his burrow on Gobbler's Knob and predicts the weather. Legend says if he sees his shadow there will be six more weeks or winter weather. If he does not see his shadow there will be an early spring. This tradition began with Pennsylvania's earliest settlers when they brought the legend of Candlemas Day, which states, "For as the sun shines on Candlemas Day, so far will the snow swirl in May..." Punxsutawney Phil will be out on Friday, February 2, 2018. Use the hashtag [#RedstoneWinterSpring](#) to share what you think Phil's prediction will be!
