

November 2018

*We Have a new  
Resident Service Specialist!*

This is David Ugarte, he recently started with us in September and is thrilled to have his first job in the leasing industry. He is originally from Virginia Beach, Virginia and moved here in September of 2013 to be closer to family. When he's not busy at work he enjoys taking care of his chickens, inground koi pond, saltwater aquarium, two dogs and one cat. Be sure to help us in making him feel welcome into our Redstone Family by saying hi next time you're in the housing office.

Please feel free to contact the emergency maintenance line directly at 855-627-3932. We hope everyone has a fantastic 'UbX safe holiday!

Thanksgiving is an annual national holiday marked by religious observances and a traditional meal including turkey. The holiday commemorates a harvest festival celebrated by the Pilgrims in 1621.

## **Winter Prep!**

Winter is right around the corner below are some nifty home and car tips so you can begin your winter preparation and stay warm!

- 1) Stay dry. Wet clothing loses all of its insulating value and transmits the cold rapidly.
- 2) Clean out the gutters, disconnect and drain all outside hoses. If possible, shut off outside water valves.
- 3) During cold spells, keep cabinet doors open to allow warm air to circulate around pipes, particularly those in the kitchen and bathrooms.
- 4) Top off antifreeze, windshield wiper fluid, gas, oil and other fluids.
- 5) Keep bagged salt or sand in the trunk for extra traction and to melt ice.
- 6) Make sure your tires have enough tread. Consider snow tires.
- 7) If you have a fireplace, keep the flue closed when you're not using it.
- 8) Keep a slow trickle of water flowing through faucets connected to pipes that run through unheated or unprotected spaces.
