

December 2018

We have a new Maintenance Technician!

This is Andrew Clark, he recently started with us at the beginning of November and has been in the maintenance industry for leasing communities for two and a half years. He is originally from Topeka, Kansas and moved here in September of 2012 to

start his new family. When he's not at work he enjoys spending time with his family, working in his woodshop garage and playing video games. Be sure to give him a warm Redstone welcome by waving as he drives by in your neighborhood.

We are starting a Facebook hashtag!

This year we want to see all the beautiful decorations in the community and anything that has to do with the holidays. Whenever you take a picture of your amazing holiday decor and sparkling lights be sure to post it on our facebook page with the hashtag.

#huntholidays Silent Night

Just a friendly reminder that our quiet time hours are from 10pm-7am. Please be conscious of your neighbors whenever having your holiday get togethers this year.

Happy Holidays Redstone Family!

Be sure to join us Wednesday, December 19th, starting at 5pm to 7pm for our Candy and Cookie Exchange!

We will be providing drinks, cutlery and table space at our housing office. So come on down and enjoy delicious holiday treats and great conversation with our community.

Don't forget to RSVP by December 17th by calling the housing office or e-mailing david.ugarte@huntcompanies.com so that we can get a proper head count and a list of which treats everyone is bringing.

See ya'll there!

Hunt Update

Gift Wrap Station!

We will be having a gift wrapping station from December 3rd-24th and will be providing a variety of colorful wrapping paper, bows, scissors, and tape.

Come on down to the housing office and wrap your presents with your favorite leasing team.

While you're stopping by to wrap your presents be sure to fill out a Holiday Traditions form that shares what you and your family does each year for the Holiday! We will be posting it on our facebook page with your permission.

Holiday Energy Conservation & Safety Tips

With the excitement of the holidays coming here are a few safety and conservation tips to help you have a safe and smart holiday season.

- 1) **CHOOSE LED LIGHTS** - When purchasing holiday decorations, make the switch to LED lights. LED's are more efficient, use up to 90% less energy than incandescent, and last much longer! They also stay cool to the touch and produce less heat, so your home is safer. You can save even more by using those new LED lights on a timer.
- 2) **DO SOMETHING FUN** - Instead of firmly planting in front of the TV for the day, consider getting some fresh air or playing a board game. Take advantage of time together with friends and family while decreasing your energy usage. Try bundling up and playing football outside instead of watching it. Make sure the winners get to go through the pie line first!
- 3) **AVOID THEFT** - Thieves are looking for homes with lots of valuable holiday gifts, so don't give them an invitation. Keep gifts out of windows and don't leave boxes from expensive electronics at the curb. Break down these boxes, and place them in trash bags for a more secure option.
