

ANNOUNCING HUNT HEROES ESSAY CONTEST WINNERS

In commemoration for this year's 21st Anniversary of 9/11, we launched our second annual Patriot Essay Contest. The contest provides military children ages 8-18 years of age the opportunity to share "What it means to be a Patriot and How Do You Show Patriotism in Your Community?"

Each submission included poignant messages on patriotism - which included Respect, Loyalty, Sacrifice and the Love for our People and Country. Read below one of our submissions by Gavin D. from Fort Lee:

"Most people may not be aware, but patriotism also exists in our community. This can be done simply by being a good citizen who exercises their right to vote during an election, by participating or volunteering in local activities and events, making contributions that support your community, and just by doing more to help those around you without ever expecting anything in return..."

Our Hunt Heroes certainly understand the importance of being a patriot and the impact on how they can make a difference in their own communities. This year's Patriot Contest winners are:

1. **Gavin D.** – Fort Lee
2. **Janelle H.** – Langley
3. **Nathalie R.** – Air Force Academy
4. **Noah W.** – Ohana Navy
5. **Reese F.** – Ohana Navy

Congratulations to our Patriot Contest Winners for their great submissions!

COMING SOON - TENANT SATISFACTION SURVEY!

The annual Tenant Satisfaction Surveys will launch in October for both Army and Air Force communities.

We encourage you to share your thoughts and feedback on your living experience in our community. The survey links will be sent from the Air Force (AirForceHousingSurvey@celassociates.com) and Army (ArmyHousingSurvey@celassociates.com), to the primary email address on file. If you have any questions, please contact your local leasing office.

Air Force will launch on Monday, October 17, 2022

Army will launch on Tuesday, October 25, 2022

OUR CEO'S MESSAGE

Dear Residents,

Fall is officially here, and with the new season comes cooler weather (especially for those states that have seen extraordinary heat), children acclimating to a new school year, and football. There are also a few notable things happening within the company that I feel are important to share with you.

First, we are wrapping up our season of Hunt Helping Hands. We bring employees together each year for a day of service and focus on a project in each community. This year, we decided to conduct projects in each community to benefit our residents. Our team members have partnered with several organizations to provide additional service to our residents and communities.

On October 13, 2022, we will again partner with Hire Heroes USA to provide residents with a free workshop on career transition for those leaving active service. This one and half hour event will provide the tools necessary to create a resume, provide interviewing techniques, and hopefully set our career-seeking residents up for success. For more information, please visit HuntHeroesFoundation.org.

Our Army and Air Force communities will receive their CEL Tenant Satisfaction Surveys. I encourage you to complete these brief but essential surveys. The information will help us prioritize our efforts to better serve you and to further invest in the areas where we are performing the strongest.

And finally, we have concluded the Focus Groups at each of our HMC communities. I wish to thank those who took the time to participate and provide valuable feedback. These in depth conversations were essential to understand our resident journey from the leasing process to move out.

As always, thank you for allowing us to serve you.

EMPLOYEE SPOTLIGHT

D'Layne Esquivel

D'Layne is a Leasing Specialist here at Redstone Family Housing. The first job that she wanted when she was a little girl was to be a marine biologist and swim with Shamu at Sea World. Her favorite place to shop for clothes is Amazon since it is more convenient and doesn't like to shop for clothes in person. She loves meeting new people and she enjoys the conversations of comradely created throughout the experience with each resident.
