COMMUNITY DIRECTOR UPDATE

COMMUNITY NEWS

Dear Redstone Residents,

Happy August! As you get ready to head back to school, we have some amazing projects still underway at Redstone. Our HVAC project is still in progress! We should see Google Fiber come online in the next several months, and water line replacement will be completed in two months.

COMMUNITY UPDATES

Mowing Inside Fenced-In Backyards: It is the responsibility of each and every tenant who has a fenced-in backyard to keep the grass mowed daily. If you are in need of a gas-powered push mower, then you are more than welcome to borrow one for free from our self-help center, which is located at 1103 Mountain Drive. The center is open Monday-Friday from 3:00 PM to 4:00 PM. Please note that mowers can only be loaned out for no more than 24 business hours; they must be returned to the self-help center the next day it is open.
