

# COMMUNITY DIRECTOR UPDATE

## JANUARY 1, 2026

### **COMMUNITY NEWS**

In observance of New Year's Day and Martin Luther King Jr. Day, our offices will be closed on Thursday, January 1st, and Monday, January 19th. We will reopen and resume regular business hours after the holiday. For maintenance emergencies, please call (855) 627-3932.

### **MAINTENANCE TIPS**

As a resident, your role in maintaining the neighborhood's appearance is essential:

**Yard Care:** Maintain flowerbeds, fence lines, and mow back fenced-in yards.

**Pet Etiquette:** Clean up after pets, keep them leashed, and supervise them outdoors.

**Vehicles:** Trailers, boats, and campers are allowed 24 hours before and after use.

**Flags & Signs:** Only U.S. flags and those approved per DoD guidelines are permitted.

#### **Winter Weather Tips**

Please notify our Community Management Team in case of any cold-weather-related maintenance emergencies.

**Disconnect garden hoses from the outside water spigot:** The water inside the hose can rapidly freeze when the temperature drops below 32 degrees. A spigot that bursts outside is a potentially expensive problem that is relatively easy to avoid by using faucet covers (available through self-help and the leasing office).

**Never turn your heat off:** Please keep your thermostat set to 65 degrees or higher. Especially if you are planning to be away from home for more than 24 hours.

**Submit a Notice of Absence:** Reach out to your leasing office when you will be away from home for several days at a time.

**Dripping faucets prevent freezing:** Open faucets to allow both the cold and hot water to drip. This allows the water to flow continuously and helps prevent pipes from freezing.

**Open cabinet doors where plumbing is located:** Open your kitchen and bathroom cabinet doors to allow warm air to circulate around the plumbing.
